

IEEE R10 SYWL Congress 2024 Sponsor Benefits

IEEE R10 SYWL Congress is a bi-annual event of [IEEE Region 10](#), Asia Pacific Region, for fostering volunteer leadership for Students, Young Professionals, Women in Engineering, and Life Members.

[IEEE R10 SYWL Congress 2024](#) is held from August 29 through September 1, 2024, at the [National Olympic Memorial Youth Center](#), near Shibuya and Shinjuku Stations, Tokyo, Japan.

The theme of the Congress 2024 is “*Collaborative Leadership beyond various boundaries.*”

More than 250 participants are expected to join the event, and most of them are students, graduate students, and young professionals, who are less than 15 years from university graduation. Among them, more than 100 oversea participants are expected.

Keynote speakers include Dr. Thomas Coughlin, IEEE President, and Prof. Kathleen Kramer, IEEE President-elect.

Satellite workshops will also be held near the venue during the same period.

- IEEE R10 YP Career Leadership Aid Program 2024 on August 29
- The final stage of [IEEE R10 Robotics Competition 2024](#) on August 30

The participants of the workshops will also participate the Congress 2024.

The Congress 2024 is hosted by [IEEE Japan Council](#) and nine sections in Japan, i.e. [Sapporo](#), [Sendai](#), [Tokyo](#), [Shinetsu](#), [Nagoya](#), [Kansai](#), [Hiroshima](#), [Shikoku](#), and [Fukuoka](#), and supported by the [Tokyo Convention and Visitors Bureau](#).

The local organizing committee of the Congress 2024 is seeking sponsors.
