

The 2024 First Meeting of Tokyo Section Executive Committee

The 2024 first meeting of the Tokyo Section Executive Committee was held on Thursday, March 14, at 12:00 p.m. in the conference room of the Kikai Shinko Kaikan building, with 22 members in attendance (see the link at the end of this page for the minutes of the meeting). The minutes of the previous board meeting and the materials for the 2024 annual general assembly were discussed and approved. In addition, the 2023 activity report, financial report, and audit report, the 2024 activity plan, the 2024 budget, and the 2024 interim financial report were reported. This was followed by activity reports from each committee and the Affinity Group. In addition, the status of preparations for the IEW (Industry Engagement Workshop: formerly known as MAW) and the decision to hold the R10 HTC (Humanitarian Technologies Conference) 2025 and the start of the Steering Committee were also explained. It was also reported on the decision to hold the VIC (Vision, Innovation, and Challenges) Summit 2025 in Tokyo, and asked for cooperation in promotion and sponsorship. It was also reported on the status of preparations for R10 SYWL (Students, Young Professionals, Women In Engineering and Life Members) 2024, the R10 Meeting, and SIGHT (Special Interest Group on Humanitarian Technology (SIGHT)). Finally, the number of members by grade and the number of members by society were explained.
